## Why SUNLIGHT?

### 30 years of Experience in Battery Business

- **TOP 3** in the global advanced technology battery sector
- **TOP 10** in the global industrial battery sector
- Global design and deployment experience on demanding requirements for Renewable Energy Storage solutions

### “One Stop Shop”

- From single components/products to turn-key solutions
- Robust high quality products & services portfolio
- Lifetime value maximization & TCO approach

### Extensive Global Know-how

- Strategic co-operation with TOP market players and systems integrators worldwide
- Established global partners network serving active clientele in more than 100 countries
- More than 40 MW of off-grid Power Supply Systems installed worldwide

### Exceptional Customer Service

- Peace of mind through worldwide pre-sales & after-sales support
- Highly experienced engineering team for design & development
- Global project management competence
